

## REMARKS

Applicants wish to confirm that the Amendment document filed on March 17, 2006, is a *bona fide* attempt to advance the prosecution in this case.

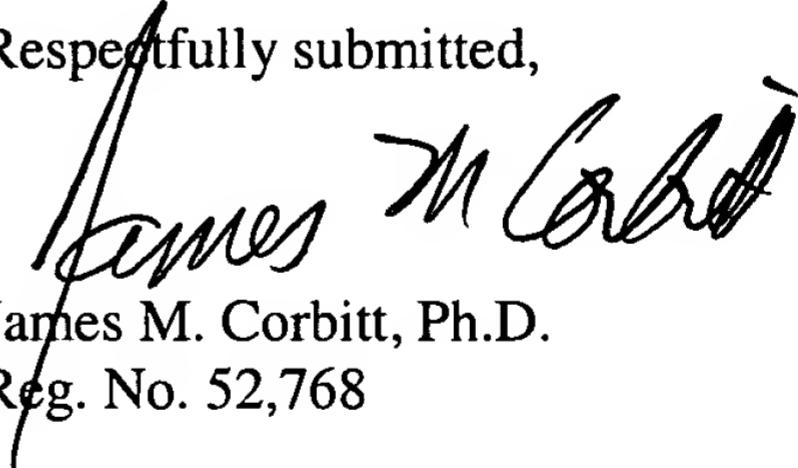

In the aforementioned Amendment document, the inserted phrase, "at least one" was not underlined in Claim 2 and the text for cancelled Claims 5-6 was included. These formalities are corrected herein.

Applicants respectfully submit that Claims 2-4, 8 and 9 are patentable, and early and favorable consideration is solicited.

No fees are believed due but the Commissioner is hereby authorized to charge any other fees that may be required, or to credit any overpayment, to Deposit Account No. 20-1507.

If the Examiner believes there are other issues that can be resolved by a telephone interview, or that there are any informalities that remain in the application which may be corrected by the Examiner's amendment, a telephone call to the undersigned agent at (404) 885-2552 is respectfully solicited.

Respectfully submitted,
